NEW ANNOUNCEMENTS

Mayor Bernard C. “Jack” Young Announces Modifications to City’s Stay at Home Order

Beginning today, the following retail businesses can provide curbside pickup, by walkup or vehicle, as long as the business adheres to social distancing guidance. Outdoor exercise classes with 10 or fewer people are allowed, but all participants must wear a face cloth covering and maintain 6 or more feet of separation from others.

Baltimore City COVID-19 Update

Yesterday, Mayor Young announced adjustments to the stay-at-home executive order effective May 27th at 9:00am to allow for:

- Curbside retail pickup, walkup or by vehicle, that adheres to social distancing (maintaining six feet distance from others) and the use of facial coverings including:
  - Clothing stores
  - Gift stores
  - Home good stores
  - Personal/beauty product stores
  - Shoe stores
- Outdoor exercise classes with 10 or fewer people

What do I do if I think I have COVID-19?

- If your symptoms are mild, call your primary care doctor.
- If you don’t have a doctor, call 211 and ask for a list of local clinics, or visit bit.ly/baltclinic.
- Only go to the ER if your symptoms are severe. coronavirus.baltimorecity.gov

IMPORTANT REMINDERS

Now Hiring Job Board

The Mayor’s Office of Employment Development updates their COVID-19 job board with new jobs daily. With dozens of employers looking to fill positions, this is a great place to search for a new job. moed.baltimorecity.gov/job-seekers/now-hiring

We appreciate all of our essential employees who are working during these challenging times. Today we recognize these essential employees:

We appreciate Charles Penny and Meg Young!
Department of Transportation’s Transit Bureau
For nearly two months, Charles and Meg have been integral to the City’s food delivery efforts helping to coordinate the delivery of up to 10,000 meals a day to Baltimore’s elderly and most vulnerable populations. During the Coronavirus (COVID-19) Pandemic, the City of Baltimore was able to recognize that seniors run the highest mortality rate during this health emergency. Thanks to Charles, Meg, and DOT GIS, the City of Baltimore provided strategic components that allowed seniors to received meals in a three-hour window alleviating travel limitations to seniors.
