

ELIGIBILITY CRITERIA

Persons interested in AIM to B'More meet the program eligibility criteria if the individual is:

1. Willing to submit to an amenability assessment and determination of serious or chronic behavioral, social and psychological disorders and barriers; treatment deemed as necessary;
2. Willing to work with AIM's Licensed Clinical Social Worker to develop and comply with tentative (evolving) action plan based on participants needs;
3. A Baltimore City resident;
4. 18 years or older;
5. Facing a first time felony drug distribution offense;
6. Facing a non-violent felony drug distribution offense; and
7. Willing to agree to all standard and AIM special conditions for two (2) years supervised probation.

Before final approval to enter AIM, all potential candidate referrals must be screened by the Chief of the Narcotics Division, Adult Violence Prevention Coordinator, Licensed Clinical Social Worker, and AIM Assistant State's Attorney.
